- May 9: Dr Nora departs for Marshall Islands Dental mission
- May 11: Wine Tasting. See Oran

## April 27th Meeting

**O**ur guest speaker was Sarah Robinson, from the Funeral Consumer Alliance Hawaii. This organization is active in educating the public about your choices in making funeral arrangements, and they assist the public with problems and complaints. It was an eye-opening and very informative lesson on what to look out for when considering your funeral plans. Being the friendly club that we are, Rotarian Ed Baumgartner gave Sarah a warm welcome.

year, the project is a joint venture with our club, the Waianae Club, and the Kapolei Club all contributing. Corporate sponsorship is also being provided by Continental Airlines by providing two tickets, and excess baggage allowances.

## NEW PAUL HARRIS FELLOWS

**C**ongratulations and a special "thank-you" were extended to Rotarians David Burtless and Larry Webb, who consistently demonstrate the Rotary spirit. President David surprised them at the meeting April 27th.

## Club Officers & Directors

- President: David Bramlett
- Vice President: Oran Spotts
- President Elect: Gerald Joering
- Immediate Past President: Mary Antonio
- Treasurer: Brian Sakai
- Secretary: Gerald Joering
- Sgt at Arms: Ken Uyeno

## DENTAL PROJECT

**M**ay 9th will be an exciting day for our Club. Dr. Nora Harmsen will depart for a two week humanitarian journey to the Marshall Islands on a mission to help children there with dental problems. This is a follow-up to last year's journey when she and Judi Bramlett spent two weeks moving between the islands and setting up clinics for a day or two at each site. At our Rotary Club meeting on Apr 27th, she thanked the club and others for the donated dental supplies, cash, and their support. This
