JOERING INSTALLED AS PRESIDENT

INSTALLATION BANQUET

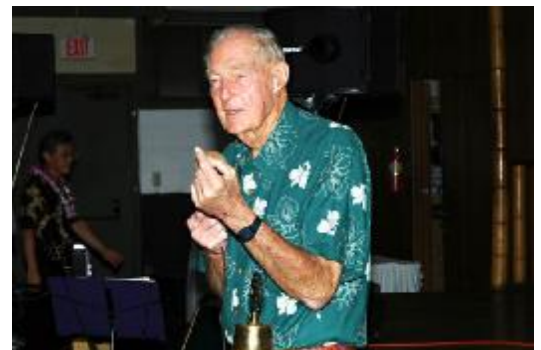

Rotary year 2006-2007 will be tremendously successful if the installation banquet is any clue of things to come. The banquet began at 5:30 on June 15th at Dot's in Wahiawa when President David Bramlett began the meeting by welcoming everyone. There were many, many special guests, including eleven High School Scholarship winners and they were all introduced. Special awards were presented to a number of members and President David thanked everyone for their support during the past year. The dinner buffet was outstanding in both flavor and quantity. Dot's did a magnificent job. We honored our two Dot's employees that always serve us lunch by making them Honorary Members of our Club Near the end, President David Bramlett passed the gavel to President Elect Gerry Joering and it was official. New President Gerry gave PP David a beautiful attaché case with the Rotary emblem and his name on it. PP David also presented each Board member from last year a very nice gift. It was a wonderful, fun filled night with beautiful background music provided by guitarist, Carl Nashio. Instead of going into more detail here, I will simply provide some pictures which speak for themselves as to how well things went.

NEXT WEEK'S MEETING

Learn all about Reverse Mortgages at noon on June 22nd at Dot's. Jean Seki will tell you what they are and how they work. It may be a very interesting concept for those seeking additional money in their retirement.
